Together as Buckeyes Emergency Grants Program

Ohio State is launching the Together As Buckeyes emergency grants program. Using both university funds and support from the federal CARES Act, this program will assist students who are having difficult with living expenses or facing other unexpected financial challenges related to the disruption of campus operations due to this pandemic. Any student – undergraduate, graduate or professional at any campus – who has been adversely affected by the COVID-19 pandemic can apply for grant by completing the one-page Emergency Request form and providing any supporting documentation. The Office of Student Financial Aid is prepared to respond quickly to applications after determining eligibility based on each student's circumstances and guidelines from the U.S. Department of Education.
